KGS & DecisionPoint Finding Solutions Together

Client-Centric Focus:

Our client-centric approach ensures that your needs always come first. We work closely with you to understand your mission and provide customized solutions that meet your unique requirements.

We provide the Agility of Small Business and the Resources of a Large Business:

We're able to respond quickly to your changing needs and adapt our services accordingly while providing cutting-edge technology, advanced tools, and a vast network of experts to help solve even the most complex challenges. This agility ensures that you always receive the best possible support.

Solutions to Complex Challenges:

We specialize in solving complex challenges that other companies might shy away from. Our team of experts has the knowledge, experience, and creativity needed to develop innovative solutions that help your mission succeed.

Collaboration and Partnership:

We believe that the best results come from working closely with our customers. We collaborate and partner with you every step of the way, ensuring that we're always aligned with your goals and objectives.

Leadership and Innovation:

We're committed to being leaders in our industry, always pushing the boundaries of what's possible. Our innovative solutions and forward-thinking approach ensure that we stay ahead of the curve, delivering cutting-edge services to our clients.

Who We Serve.

KGS and DecisionPoint proudly support initiatives and innovations from all areas of the U.S. Government domestically and internationally.

Department of Defense

Department of State

Department of Transportation

Defense Intelligence Agency

Environment Protection Agency

Defense Information Systems Agency

United States Air Force

Department of the Army

Defense Health Agency

Department of Homeland Security

Department of the Interior

Department of Health & Human Services

Companies with a Mission to Serve.

KGS delivers Enterprise Solutions, Professional Services, and Operations Management to Federal Government agencies. Our forward-leaning solutions and digital transformation services, including security and AI integration, keep our customers a step ahead and empowered to solve the hardest mission and business challenges.

As an Alaska Native Corporation (ANC), KGS offers a unique, flexible, and streamlined direct award procurement option to our Government customers. Available through all SBA-certified 8(a) subsidiaries within the KGS family of companies, direct award contracting with KGS provides the Government with Federal Acquisition Regulation (FAR) and Code of Federal Regulations (CFR) provisioned methods to maximize performance flexibility, mission continuity, and small business goal achievement.

KGS invests millions of dollars back into the Alaska Native community, funding educational scholarships and training, elder benefits, tribal program support, and many other initiatives that benefit our community of Alutiiq shareholders.

DecisionPoint, a Service Disabled Veteran Owned Small Business (SDVOSB), is one of only 35 prime contract holders on the VETS 2 government GWAC. VETS 2, a best-in class GWAC, is the only multiple award GWAC set aside exclusively for Service-Disabled, Veteran Owned Small Businesses (SDVOSB). It is designed to meet diverse agency IT services requirements, including new and emerging technologies. The VETS 2 contract ordering period is open through February 22, 2028.
