# KGS & KEW Finding Solutions Together

## Client-Centric Focus:

Our client-centric approach ensures that your needs always come first. We work closely with you to understand your mission and provide customized solutions that meet your unique requirements.

## We provide the Agility of Small Business and the Resources of a Large Business:

We're able to respond quickly to your changing needs and adapt our services accordingly while providing cutting-edge technology, advanced tools, and a vast network of experts to help solve even the most complex challenges. This agility ensures that you always receive the best possible support.

## Solutions to Complex Challenges:

We specialize in solving complex challenges that other companies might shy away from. Our team of experts has the knowledge, experience, and creativity needed to develop innovative solutions that help your mission succeed.

## Collaboration and Partnership:

We believe that the best results come from working closely with our customers. We collaborate and partner with you every step of the way, ensuring that we're always aligned with your goals and objectives.

## Leadership and Innovation:

We're committed to being leaders in our industry, always pushing the boundaries of what's possible. Our innovative solutions and forward-thinking approach ensure that we stay ahead of the curve, delivering cutting-edge services to our clients.

## Who We Serve.

Department of Defense

Department of State

Department of Transportation

Defense Intelligence Agency

Department of Homeland Security

Defense Information Systems Agency

Environment Protection Agency

Department of the Air Force

Department of the Army

Defense Health Agency

Department of the Interior

Department of Health & Human Services

# Companies with a Mission to Serve.

KGS delivers Enterprise Solutions, Professional Services, and Operations Management to Federal Government agencies. Our forward-leaning solutions and digital transformation services, including security and AI integration, keep our customers a step ahead and empowered to solve the hardest mission and business challenges.

As an Alaska Native Corporation (ANC), KGS offers a unique, flexible, and streamlined direct award procurement option to our Government customers. Available through all SBA-certified 8(a) subsidiaries within the KGS family of companies, direct award contracting with KGS provides the Government with Federal Acquisition Regulation (FAR) and Code of Federal Regulations (CFR) provisioned methods to maximize performance flexibility, mission continuity, and small business goal achievement.

KGS invests millions of dollars back into the Alaska Native community, funding educational scholarships and training, elder benefits, tribal program support, and many other initiatives that benefit our community of Alutiiq shareholders.

## Alaskan Legacy, World-Class Service

Our deep-rooted Alaskan heritage provides invaluable insights into regional and national challenges and regulations, delivering our clients a competitive edge. This Alaskan know-how, paired with a broad perspective earned through international experience, ensures that projects will succeed using global best practices.

KEW has an established legacy rooted in reliability, integrity, and a commitment to excellence. When projects need to be on-time and on-budget, rely on KEW to deliver.

## 8(a) Alaska Native Corp (ANC)

Customers may award a sole source (8a) contract to an ANC with a value < \$100M (DoD) and < \$25M (Fed/Civ) without a Justification & Approval (J&A). No Dollar threshold with approved J&A.
